

**ONE TEXT OR CALL COULD**  
**WRECK**  
**IT ALL**

**TAKE THE PLEDGE . . .**

The fight to end distracted driving starts with you - right now. Make the commitment to your community and those you love to drive phone-free today.

Distracted driving kills & injures thousands of people each year!

**On behalf of my family, friends and myself, and those whom I share the roads with, I PLEDGE:**

- To never text while I am driving;
- To use only hands-free calling if I need to speak on the phone while I am driving;
- Be a good passenger & speak out if the driver is distracted;
- Encourage my friends and family to drive phone-free; and
- To be a good example of a safe driver.
